

Metre Monthly Race Notice - Sunday 10th April 2022

NMMS – Wattle Farm.

Covid Policy : The Regatta will be run Subject to NZ Government Covid Policy.

NMMS require that all participants and Visitors take personal responsibility in observing social distancing and wearing a mask when appropriate. Masks are required to be worn in the Clubhouse with a maximum of 8 people in the Clubhouse at any time. Vaccine Passports will not be required.

There are still thousands of new Covid infections per day so please stay away if you are feeling unwell or have any cold or flu like symptoms.

This is a one-day regatta is hosted by NMMS Inc (Wattle Farm Sailing) in conjunction with NZL IOM NCA.

The Metre Monthly concept was very popular a few years ago as it brought together sailors from the Clubs around the region for a competitive, no frills, one day regatta.

Race day is a Sunday, to enable those committed/tied to their club racing on Saturday the opportunity to attend on Sunday.

The first race is later than normal (10.30am) to allow the out of towners extra time to travel.

Although we are using the name 'Metre Monthly' the idea is to hold these regattas when it best fits with the sailing calendar. Rather than being held monthly it might only be 2, 3 or 4 times a year.

Eligibility: The competition is open to (a) Affiliated members in good standing with the NZRYA, or the Delegated National Member (DNM) of their country of residence. and (b) Members within the International One Metre Class Association recognised by the DNM in their country of residence.

Date : Sunday 10th April 2022
