2024 NZRYA Inc. AGM & Election - Call for Nominations and Motions

We invite you to become a part of our exciting Radio Sailing sport by standing for election to the NZRYA Council.

Why you should consider joining the NZRYA Council.

- As a committee member, you can shape the direction and priorities of our association.
- You can actively engage with others from the Radio Sailing community representing various clubs and classes.
- You can advocate for the interests and concerns of our members, ensuring that their voices are heard and their needs addressed.
- Bring fresh ideas to the table, whether it's enhancing regattas, improving communication, or introducing new initiatives to elevate radio yachting in New Zealand.

Standing for election is not just a commitment; it's a chance to be part of something bigger. Our association thrives when its members actively participate.
