

CLASSIC CLASS REVIVAL (CCR)

Many of us can recall the “CCR” Creedence Clearwater Revival from the 60s and 70s but this revival is about the early IOM’s from the late 80’, 90’s and 00’s.

It all started with a conversation between Terry Valder and Dave Hemsley in December 2017 about running a regatta with the “Pre 2000” boats to be held at Wattle in March 2018, unfortunately the “Stormwater Civil Works” were not completed, and the regatta was cancelled, and a new venue of Tauranga was found with the help of Carl Smith and Richard McNeilly.

The new date was set for the 5th & 6th May 2018 at “The Lakes”.

17 skippers dusted off the cobwebs, check the electronics (some may have been the 27 & 40 MHz AM radios) swapped a few sails over from the later version IOM’s and went sailing, Carl Smith was the Race Officer.

Trying to track down the photo and report from the old NZRYA website.

20180506 Pre 2000 Results.jpg

Prior to this regatta there was no organized racing for these boats, but a few classics were turning up to the occasion regattas.

2015 Nationals at Hamilton (25th – 27th September) 3 - DM3, 1- Cross, 1 - V6 and the texalium Cockatoo.

2017 Auckland Champs (26th – 27th August) the texalium Cockatoo, skippered by a 10-year grandson.

2017 Waikato Champs (12th – 13th November) a black Cockatoo and NRW 2a.

There would be several classics boats been sailed at the local clubs e.g. Wattle had 3 Cockatoo’s sailing on the odd club days.

After the Pre 2000 regatta Tauranga was planning to combine the 2018 BOP Champs with 2 fleets the pre 2000 and the “Premier fleets and 1 day Wattle regatta or combining with the Nationals or the Auckland champs but nothing happened

20150920 Tauranga Champs

HMS 2014 Scoring v2.0a - October 2014 - Promo - 4

Event: Bay of Plenty Champs
Date(s): 19th and 20th September 2015
Host Club: Tauranga Radio Sailing Club

20200805 Fat Boys Wanted

Fat Boys (Beam >200mm) IOM Racing will be held on a regular basis at Wattle Farm on the 1st Wednesday of the month from 10.00 am until 12.30 pm commencing on Wednesday 5th August. When daylight saving kicks in this may move to late afternoon if there is enough interest. Skinny boats welcome but the main objective is to get the Fat Boys out of the closet.

Fat Boys Challenge

Most IOM sailors are aware of the results of the Fat Boy regatta in June.

Bill Bradley, sailing a Cockatoo named 'Blue', was presented with the Fat Boy trophy and subsequently named 'Top Cock'.

This is now the challenge to all Fat Boy owners - come and have a go at knocking Big Bad Bill Bradley's Blue Budgie off its perch. Together we can do this (No pressure Bill).

Known as the 6Bs Challenge, this is to be raced in the traditional spirit of Classic / Fat Boy racing friendly competition, fair play and great camaraderie.

The format will be :-

4 x Scratch Races (1 Drop) Followed by

4 x Mark Foy Races (1 drop)

This gives every Fat Boy a chance regardless of age.

Looking forward to a great turnout on 5th August.

Proposed 16-Jan-2021 Lake Gilmour, Waihi

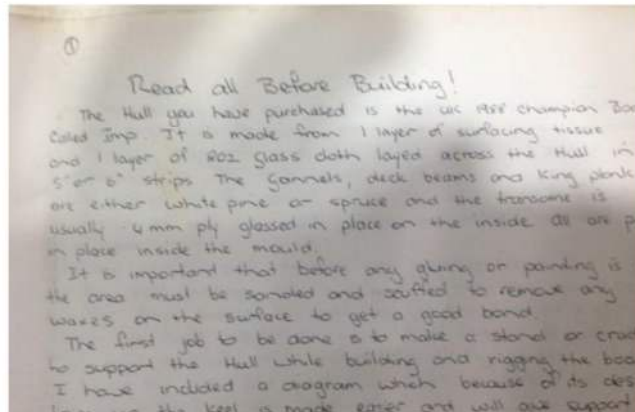

11am Saturday - IOM Handicap Fun Day

If you are an IOM sailor i bet you have heard of a V11, Kantum or if you watch our TRSC website and seen my just launched "Mr Stein" IOM NZL1270

But i bet you have never heard of a IMP KZ56 or a JURY KZ168, unless you were at the IOM Nationals in 1992 or 1993 ????

Well today in Katikati we saw one of each. The original owner who raced them in the 1992 / 93 Nationals He has dug both hulls out of the back of the garden shed and is restoring this to as close to original as possible, whirl wind winch and a sail arm on a servo. Sorry to say but the sail seams are looking a bit worse for wear on the older ones.

However in a week or two these will be back to there original glory and back out sailing at Kaitikati and Waihi.

So how do we get these original IOM's back racing on par with the newest design at our next events here in Tauranga, Katikati and Waihi.

Glad you asked. I think we might have a way to generate more interest in racing these older design yachts at regattas.

With our current Classic (pre2010), Cockatoo's are now being sort after as they were one of the fastest IOM's last built to meet the current requirements.

At the Last Classic event in Auckland, I borrowed a DM2 for the day as i knew it could foot it with the Cockatoos pre 2010 yachts.

So how do we shake things back up and give the advantage back to these earliest IOM designs and get them back out racing competitively.

I believe the way to do this is too give them the most advantage, so people go out looking for the oldest IOM's they can find.,.

BELOW PROPOSAL UNDER CONSTRUCTION AND WILL HAVE MANY MORE UPDATES...

Saturday 16th Jan 2021 we run a Handicap event in Waihi favoring the oldest IOM designs given them the most advantage.

Boats do not need to be registered or measured for this fun day, but do need to comply with the intent of the class rules of there vintage.

Scoring TRSC average points system, (you could stay in town overnight and could also sail in Waihi Social Sunday Club sailing)

We can keep fine tuning the handicaps to give the classic the best chance.

If a hull out performs / under performs its handicap we could be increased / decrease its handicap for the next event.

At 150 seconds "1987 to 1995" Boats start the race

(eg IMP kz56, Jury kz168, Short Circuit KZ 288, Agent Orange KZ184, Kelly's Eye KZ 162, Firebrace Gopher Gold KZ 142, ALF KZ 23 [Rhythm 1987](#), [F1000 1988](#), [Fe Fe 1988](#), [Jazz 1988](#), [Bikini1989](#), [Fe Fe 2 1989](#), [ULY 1990](#), [Ragtime 1991](#), [Stella 1991](#), [Swish 1991](#), [I imagine 1993](#), [Paracite 1993](#), [Stomp 1993](#), [TS2 1993](#), [Little Fellow 1994](#), [Metric Magick 1994](#), [Red Wine 1994](#), [Spy 1994](#), [Tinto 1994](#))

At 120 Seconds "1995/2000" Boats start the race

(eg Running free NZL517, Waimairi, Brown Sugar NZL 476, Yellow Bits AUS 147, M.M1+1 KZ 310, [Mururoa 1995](#), [Dream1996](#), [Nimbus 1996](#), [Paracite 2 1996](#), [Scream 1996](#), [Stanley1996](#), [Bear 1997](#), [Lion 1997](#), [Mistra 1997](#), [Proton 1997](#), [Wing 1997](#), [Ikon 1998](#), [Image 1998](#), [Little Wing 1998](#), [SC2 1998](#), [Sliver1998](#), [Titou1998](#), [Drumbeat 1999](#), [Sailplane 1999](#), [SC3 1999](#), [SC4 1999](#), [Simplet 1999](#), [Simplet 2 1999](#))

At 90 Seconds "2000/2005" Boats start the race

20230812 New Plymouth Classic Regatta

Day one of the NPRCYC classic IOM regatta has been completed. Racing started with a light NE wind which slowly moved around to NW in the afternoon. While the rain stayed away for almost the whole day, those sailing in the last heat of the day got a little bit. The course and races were expertly organised by RO's Paul and Sacha getting through 18 heats (9 races). Provisional results attached show it's very tight at the top going into day 2 tomorrow.

Day 2 of the NPRCYC classic IOM regatta started with a little rain which after it cleared left a pleasant day with a nice NW breeze which made for some great racing. Today saw the outstanding efforts of RO's Paul and Sacha getting the gold and silver fleets through another 12 heats each (24 races) giving each sailor a total of 21 races for the 2 days. To get through 42 races over the weekend was an outstanding effort from both.

With wind across the course there were plenty of opportunities to find passing lanes which made for some great racing. The competition at the top of the fleet was still to be decided going into the last race of the weekend with Reuben Muir coming out on top to win the Eugene Amor trophy (2000-2010) from Chris Wischnowsky and Phil Pryde. In the competition for the Bruce Ewing trophy (pre 2000) it was taken out by Nigel Sibun from Toby Lecher and Steve Walters.

The NPRCYC would like to thank all the competitors for making it the regatta it was. To those that travelled to compete thank you for coming to New Plymouth and for our members it was great for us to compete against other sailors. Also a massive thank you to [Dobson + Sons Canvas](#) for the marquee for the weekend (Dobson+ Sons Canvas is a great local company that has made canvas sail bags for IOM, DF95 and DF65's, check their Facebook page for details).

It was great to have all the classic IOM's on the lake over the weekend and we look forward to the next classic regatta.

20240623 Wattle Classic Regatta

WattleFarmSailing (NMMS) hosted the recent Classic IOM Regatta.

This is for Pre 2010 non-tumblehome designs... (so pre-Britpop and V8).

19 classic IOM's turned up...most in immaculate condition

The oldest were the Drumbeats and an SP2 from Tauranga. A freshly-launched Drumbeat2 design from that era was present (unfortunately it was a bit fresh out of the mold and didn't make day 2), and a brand new TS2 from New Plymouth. V5's and Cockatoos were the most popular. .

T'was a light and shifty regatta, never getting out of A rig, and with plenty of passing lanes for canny (or lucky).

Saturday was an easterly, 5-6 knots from the carpark end, and Lewis Avenell (RO) set a cracking pace to get 18 races done - as the forecast for Sunday was miserable.

However the storm blew through overnight, leaving a vacuum in its wake.

Sunday the breeze came from all directions at 3-4 knots, giving IanW the lackey/boatman plenty of time on the water moving marks left right and center!

Well done Reubin Muir...again...winning the Auckland Classic IOM Regatta at Wattle Farm with his V5, from Chris Wischnowsky (V5) and Phil Pryde (Cockatoo) - (both the latter up from New Plymouth to compete).

Sunday, June 23, 2024

Reubin (V5) wins from Chris W (V5) and PhilP (Cockatoo)...

Well done Reubin...again...winning the Auckland Classic IOM Regatta at Wattle Farm, from Chris W and Phil P (both up from NP to compete). 19 classic IOM's turned up...most in immaculate condition. The oldest were the Drumbeats and an SP2 from Tauranga. V5's and Cockatoos were the most popular.

T'was a light and shifty regatta, never getting out of A rig, and with plenty of passing lanes for canny (or lucky).

Saturday was an easterly, 5-6 knots from the carpark end, and Lewis (RO) set a cracking pace to get 18 races done - as the forecast for Sunday was miserable. However the storm blew through overnight, leaving a vacuum in its wake. Sunday the breeze came from all directions at 3-4 knots, giving boatman IanW plenty of time on the water moving marks left right and center! The wind cranked from an easterly in the morning, then though to the North (necessitating a move to sail across the lake at the carpark end) and finally to the Sou-west - so back up to the middle jetty and sailing in the other direction!

20240901 New Plymouth Classic Regatta

What a great weekend. First of all thank you to all those that sailed, these regattas are as good as they are because of the people that sail in them. To Paul our RO thank you once again for your efforts and to all of our club members who helped across the weekend with everything from traffic management, observing, photos or BBQ your time is much appreciated.

On to the racing, Classic IOM racing at its best. Close racing across a variety of different hull shapes from the wide to the wider it was great seeing so many different designs on the start line.

Saturday saw overcast conditions with a few showers with the wind starting in the NE which on Lake Rotomanu means a bottom gate as far from the bank as possible which can be a test of the eye strength before swinging more to the North which had everyone shifting to sailing off the Eastern bank and the marks coming closer. The fleet was split in 2 fleets using SHRS with a total of 8 races/16 heats been raced before sailing was stopped for the day.

Overnight the weather hit New Plymouth with heavy rain, strong winds and a very impressive lightning display. With what hit overnight it was good to see that the sun rose today with very few clouds in the sky for a warm Spring day and a westerly breeze. A further 2 races/4 heats was held before the fleets sailed as A and B for the last 6 races/12 heats was sailed. With the wind swinging competitors needed to stay focused all the way around the course as big gains and losses were fairly common if the wrong side of the course was chosen (which may or may not have been the side that worked on the 1st lap).

Overall at the end of the weekend everyone was a winner as they spent a weekend sailing with good company. Although the above is true some competitors came away with medals for their efforts. Congratulations to Reuben Muir (V5) for taking gold 🥇, Chris Wischnowsky (V5) silver 🥈 and Blair Gerrard (TS2) bronze 🥉 in the overall results. Blair also took gold 🥇 with his TS2 for the pre 2000 category.

If you have a classic IOM sitting in the shed dust it off and come and enjoy some great sailing. The next classic regatta is later this month hosted by the [Kapiti Radio Yacht Club Inc](#) find details 📌

20240922 Kapiti Classic Regatta

2024 IOM Kapiti Classic - 21st and 22nd September 2024 | Race Officer Report

Day 1

"Its never like this here".... and the 15 competitors from across the country and volunteers for the third leg of the IOM Classic Series were not complaining as they were met at Winstones Lake at Otaki on Saturday morning.

A perfect A breeze from the WSW allowed for 10 - yes 10! - almost perfect races to be held before lunch was called. After a well deserved break, and a shift in the wind to the west - a further 8 races were held.

The racing was sensational to watch - with many of the fleet showing great speed, and a really high level of camaraderie and adherence to the rules. The starts were just as hotly contested, with more than one general recall, more than enough OCS calls. The threat of the dreaded Black Flag soon reminded people that "in order to finish - first you must start!"

After 18 races and a breeze that was as tired as the sailors - the fleet called it a day and headed off to watch the All Blacks finally win.

Day 2

"Its never like this here"... well - it was. With a breeze from the NE, the challenge of setting a course led to a very grumpy RO, but thankfully a very understanding fleet. While the breeze tried to settle down, the cool temperature and occasional (very heavy) down pour meant it was "hurry up and wait".

The fleet sorted themselves out some informal racing around the pond, but accepted it was definitely not worthy of counting for the series.

So at just after 1pm - all gathered and decided enough was enough - and an early prizegiving was held and the visitors (11 out of the 15 sailors) hit the road.

Well done to all the sailors. The [results](#) show just how competitive the fleet is. It was great also to see the races within races.

Finally a huge thanks to the Volunteers who helped make this another 'classic' event.

Cheers for having me

Paul Davies aka PJD

The RO

Notes:

1. I have scoured the internet and Facebook pages to gather this information, but unfortunately a lot of information has been lost in the changeover of the NZRYA website, so if anyone has any more details of the Classic's sailing, please forward it to me.
2. This will be a live document so updates, corrections will be included.
3. Of course, my new "classic" will be named "Proud Mary".
