

DF 65 National Ranking

Updated by Rod McKenzie in Dec 2024

The National Ranking system is based on the best two of three National Selection Events (NSEs). NSEs include the North Island Champs, South Island Champs and National Champs. Each NSE has equal weight in calculating overall ranking scores. Ranking scores for each event are calculated as follows: The winner scores 100 points with other competitors scores pro-rated according to their finishing position. Ranking scores for each event remain valid until the next time that event is held.
