

DF 65 National Ranking

NEW - National weighting being instigated in 2025

Updated by Rod McKenzie in April 2025

The National Ranking system is based on the best two of three National Selection Events (NSEs). NSEs include the North Island Champs, South Island Champs and National Champs. Each Island NSE has equal weight while National NSE is weighted 25% higher from 2025 in calculating overall ranking scores. Ranking scores for each event are calculated as follows: The winner scores 100 or 125 points with other competitors scores pro-rated according to their finishing position. Ranking scores for each event remain valid until the next time that event is held.
